

# November 2018

Dear Parents,

It has been great to discover, as a class, how wonderfully God created the season of Fall and how He has thought of every little detail in order to keep life on this earth continuing for another season and year. The beautiful month of October, despite several breaks, has been a very busy month.

Teachers had the privilege of attending the "Living God's Story" Teachers' Convention last week, with over 400 Christian School staff members! It provided encouragement from keynote speaker [Carlos Whittaker](#), author of [Moment Maker](#) and [Kill the Spider](#). If those titles intrigue you, check out his [website](#). He was super engaging and made us laugh a lot, but also challenged us to listen and follow God's leading in our lives in the small moments! It was great to participate in the times of worship and fellowship with colleagues and also gain insight from a variety of workshop leaders.
